- Repeated courses count toward the GPA calculation but not toward overall hours.
- A minimum GPA of 2.0 is required for all major course work, all business course work, and overall cumulative GPA in order to graduate.
- Elective credits may be applied toward a minor within or outside Daniels (other than general business minor), a second major, or fulfilled through course work from any campus unit(s) with the exception of University College. To create a well-rounded academic experience, students are strongly encouraged to take elective hours outside of the Daniels College of Business.
- At least 50% of required business courses must be completed at Daniels.
- Students may earn a maximum of 10 hours of independent study, and a maximum of 10 hours of internship credit.
